Dear Business and/or Community Leader:

We, the Awtrey Middle School (AMS) Foundation, are reaching out to you on behalf of Awtrey Middle School. The AMS Foundation, a 501 (c) (3) volunteer organization established under the umbrella of the Cobb Schools Foundation (EIN #58-2487501), was formed in 2013 to offset the funding shortfalls as a result of several years of school and state school district budget cuts. Within our first year, the AMS Foundation was able to raise enough funds through individual donations to purchase 7 new iPads that are now being fully utilized at our school! This year, we are seeking local and national corporate support so we can make an even bigger impact at Awtrey!

The AMS Foundation has two current on-going projects where you can not only assist in making a difference for our staff and students, but also benefit from your assistance. We are in the initial stages of creating a Makerspace Lab, an area in the Awtrey Media Center where students and staff can create, invent and research. One of the highlights of this lab will be a 3D printer, where the students can develop true working models of their creations.

Our second major project this year is to raise sufficient funds to provide Awtrey Middle School with a digital marquee which will be located on the busy intersection of Nowlin Rd. and Old 41 near North Cobb High School in Cobb County. Not only will this enhance Awtrey's ability to communicate with parents and the local community about various school events, it will give us the opportunity to recognize and thank our local and national sponsors for their generous donations.

We hope that you consider donating to our Foundation this year to help us with our Makerspace Lab and our electronic marquee. Your donation will help our Foundation's mission to continue to identify and help fund science, technology, engineering and mathematics (STEM) programs that will better equip our students as they face the challenges of the future.

To thank you for your generosity, we have created several donation levels which will help your company get local recognition and appreciation. Please note that once our electronic marquee is in place, levels of donations will be created to include recognition on our marquee, giving your business further recognition in the local community. We thank you in advance for your consideration and donation. Please feel free to contact any of our members for further information.

Sincerely,  
The Awtrey Middle School Foundation Board

Nimesh Patel, President, Rie Rie Rubadue, Vice-President; Greg Schick, Treasurer;  
Sandra Kulynych, Secretary; Anita Foster, AMS Staff Member; Jeffrey Crawford, Principal
